

GP Sports Timing Price List

Effective 15 Mar 2019

(All prices are for 1 event and include free UPS shipping both directions)

All rental prices below are for an individual event. Organizations who partner with GP Sports Timing for 10 events per year can take advantage of money saving programs.

Rain-out rain checks, free loaner decoders, flexible pricing for new/experimental events and equipment holds for back-to-back events are just some of the ways GP Sports Timing will help shoulder the financial risks you take as a promoter. Call us today to learn more!
